### Consideration of Comments

To: The Commission

March 29 - 1993

It has recently come to my attention that Dr. Michael C. Trahos, KB4PGC, of Falls Church, Virginia has requested that the FCC disregard my comments (Submitted on January 25, 1993).

Dr. Trahos contends that my comments were filed more than a month after the Commentary Cutoff date of February 23, 1993.

To my knowledge I submitted my comments in a timely manner, and I trust that they were filed prior to February 23.

I ask that the comments be considered. Thank You.
